Re: **Parents/Carer Events**

Hello all

I am putting together a list of forthcoming events happening over the next few months regarding talks and activities for parents/carers to come along to:

Thursday February 28th - 1.30pm - Alex Franklin PCSO will be coming in to give a talk on the latest on On-Line Safety. Alex is a familiar presence in our school and we are so grateful for his support and advice he gives to us all both staff and students. We feel this is a very important subject and very relevant to us all here at Isebrook to ensure we all work together to know all we can to help keep students and safe as possible whilst on line and using Social Media.

Friday March 15th - 1pm - Myself and Vanessa Ross will be putting on a Card Making Day. This will be a lovely fun relaxed afternoon doing what is says on the tin making greetings cards together. We have been very grateful to receive a lot of donations in order to be able to put this on. Vanessa helped to support students to make a lot of the Christmas Cards at The Studio that were also sold in school and they were very professional and beautiful.

Friday May 17th - 1pm - Steph Orr from MIND in Kettering will come in to discuss what their service offers and how to get involved. They provide a lot of support for adults who need support promoting awareness of Mental Health and fantastic activities to take part in.

Parent Forums still take place most months on a **Friday at 2pm in The Bungalow** and this is chance to come along have a cup of tea and just chat together as parents/carers. Occasionally senior leadership come along and share things that are going on in school. It's a chance to also share any issues you may wish to discuss and need support with in school and find out events going on in school and share opinions, thoughts and ideas. Tea/Coffee always provided and cakes and biscuits I will get better at providing.

I am always available should you need to discuss any of the above with me and I really hope as many of you as possible can come along to some of these events.

It would be great to know if you think you can come along. So please could you complete the slip below just to give me an idea of numbers.

Many thanks
