

Would you have kept your child off before Covid19?

YES

Keep your child off

NO

Do they have any of the following:

- 1) A new continuous cough
- 2) A temperature above 37.8 degrees Celsius
- 3) A complete loss or change of smell or taste?

YES

Keep your child off school and stay at home

Speak to 119 or go to www.gov.uk/coronavirus and arrange a Covid19 test

Your child and your household must self-isolate until you have the test result

NO

Does your child have an underlying chronic medical condition such as cystic fibrosis?

YES

Speak to the specialist team about testing criteria if you haven't already seen or spoken to them. Some may have received a letter informing you what indicators should instigate concern.

NO

Children who are otherwise well with:

- Runny noses
- Sore throats without a fever
- Mild colds

Can come to school as normal
