Dear Parents/Carers

Unfortunately the Franklin Building will be closed to students tomorrow due to an issue with sewage and waste. We have had an engineer on site today, however, the problem has not been resolved. The concern is that whilst ordinarily this would not have been a problem due to the current Covid risk assessments in place at the moment, there would not be enough hand washing and toilet facilities for all students to use without mixing bubbles.

Staff will update class pages on here with the plan for virtual learning tomorrow.

We will update you throughout the day tomorrow.

If you have any questions, please contact us to discuss.

Key Stage 3 and Sixth Form will be open as normal.

Kind regards

Tracy Hall
