3. Qualifications offered

The Senior Leadership Team in conjunction with subject teachers decide the qualifications we offer.

We offer the following types of qualifications:

- GCSEs
- Functional Skills
- City & Guilds Level 2

The subjects offered for these qualifications in any school year may be found on our website.

If there will be a change to a specification for the next year, the exams office must be informed by July.

The specification is the actual content/syllabus of the exam (as opposed to qualification type or subject). For instance, switching from OCR to AQA for English.

Informing the exams office of changes to a specification is the responsibility of subject teachers or the AHT for the subject.

Decisions on whether a candidate should be entered for a particular subject will be taken by the Senior Leadership Team in consultation with teachers and the SENCo.

4. Exam series

Internal exams (mock or trial exams) and assessments are scheduled in the following exam series:

- For June series, mock exams are scheduled for January
- For Functional Skills qualifications, internal exams are scheduled throughout Summer 1 and Summer 2. Mock exams are scheduled periodically throughout the year.

External exams and assessments are scheduled in the following exam series:

- GCSE Art examinations will take place in the April of the examination year
- GCSE Music, Maths & English examinations take place during May and June of the examination year as dictated by the awarding body

Internal exams are held under external exam conditions.

The Exams Officer and SLT decide which exam series are used in the centre.

The centre does not offer assessments on an on-demand basis.

5. Exam timetables

Once confirmed, the exams officer will circulate the exam timetables for internal and/or external exams on a specified date before each series begins.

6. Entries (including entry details and late entries)

Candidates or parents/carers can request subject entry, change of level or withdrawal, but this will only be agreed in consultation with AHT for their Pathway, SENCo, teacher and Exams Officer.

We do not accept entries from private candidates.

We do not act as an exams centre for other organisations.

Entry deadlines are circulated to class teachers via email and internal staff briefings.

Class teachers will provide estimated entry information to the exams officer to meet JCQ and awarding body deadlines by the end of Autumn 1.

Entries and amendments made after an awarding organisation's deadline require authorisation, in writing, by SLT.

6.1 Re-sits

We allow re-sits for the following types of qualifications:

- GCSEs
- Functional Skills

Decisions about re-sits will be made by teachers in consultation with SLT and will only be offered in exceptional circumstances.

7. Exam fees

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies.

The exams officer will publish the deadline for actions well in advance of each exam series.

Candidates may be charged for the following:

QUALIFICATION TYPE	WHEN CANDIDATES WILL BE CHARGED	COSTS
GCSEs	<ul style="list-style-type: none">➤ Re-sits at parents/carers' requests➤ Missed exams (without medical or other extenuating circumstances)	Entries and re-sits: £50 Missed exams: dependent on charges levied by the exam board

We may waive these fees in certain circumstances. If you would like to discuss waiving relevant fees, please contact Siobhan Morris.

8. Equalities

All our staff must make sure that they meet the requirements of any equality legislation.

We will comply with the legislation, including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies and the JCQ. This is the responsibility of the Head of Centre.

9. Access arrangements and reasonable adjustments

The SENCO will inform subject teachers of any special arrangements that may be needed for candidates with:

- Special educational needs (SEN)
- English as an additional language (EAL)
- A temporary illness or injury

A candidate's access arrangements and reasonable adjustments requirement is determined by the SENCO.

Ensuring there is appropriate evidence for a candidate's access arrangements and reasonable adjustments is the responsibility of the SENCO

Submitting completed access arrangement and reasonable adjustment applications to the awarding bodies is the responsibility of the SENCO.

Room arrangements for candidates using access arrangements and reasonable adjustments will be organised by the Exams Officer.

Invigilation and support for candidates using access arrangements and reasonable adjustments, as defined in the [JCQ access arrangements and adjustments regulations](#), will be organised by the Exams Officer. Where candidates sit their examinations in a smaller environment away from the main examination room (the suitability of which is to be assessed in conjunction with JCQ access arrangements and adjustments regulations), the JCQ's regulations and guidance must be adhered to.

See chapter 5 of the [JCQ access arrangements and adjustments regulations](#) for details on the types of adjustments that may be considered, as well as the procedures involved.

Further information can be found in our Appeals Procedure detailed on our website.

9.1 Use of word processors

We may allocate the use of a word processor to a candidate as part of access arrangements or as a reasonable adjustment where appropriate, including:

- When it is their normal way of working i.e. where the curriculum is delivered electronically and word processors are provided to all candidates
- If they need support with handwriting
- If they have a:
 - Physical disability
 - Learning difficulty that has a substantial and long-term adverse effect on their ability to write legibly
 - Medical condition
 - Sensory impairment
 - Difficulty with planning and organisation when writing by hand

The SENCO will use their judgement, in collaboration with relevant members of staff where necessary, to make decisions about when a word processor is appropriate outside the specific examples listed above.

We will make sure that:

- The proposed arrangement will not disadvantage or advantage a candidate
- The use of a word processor will not compromise the assessment objectives or the integrity of the assessment and will be used under secure conditions. Where these objectives would be compromised, then a word processor will not be granted for use by a candidate

We will also make sure that the word processor:

- Has the spelling and grammar check and predictive text software disabled
- Does not have internet connectivity during the exam
- Has been cleared of any previously stored data, along with any portable storage medium used (and where any authorised memory stick is provided to or used by the candidate, the memory stick will be cleared of any previously stored data)
- Does not allow access to other applications such as a calculator (where prohibited), spreadsheets or emails
- Does not have graphic packages or computed-aided design software, unless permission is given
- Does not have computer reading (text to speech) software, unless the candidate has permission
- Does not have speech recognition technology, unless the candidate has permission

The word processor will not be used on the candidate's behalf by a third party unless the candidate has permission to use a scribe.

All equipment will be checked to make sure it's in working order and sufficiently charged for the duration of the examination.

Candidates provided with the use of a word processor will be accommodated in such a way that other candidates are not disturbed and cannot read the screen. Where we accommodate a candidate in another room, a separate invigilator will be present.

Candidates will be:

- Reminded to make sure that the centre number, candidate number and the unit/component code appear on each page as a header or footer, or to handwrite their details on the printed documents where this feature is not available (where the candidate needs to handwrite their details, they will be supervised to make sure that that is solely what they're doing and not re-reading their answers or amending their work in any way)
- Reminded to save their work at regular intervals, unless 'autosave' has been set up on the device to make sure that the candidate's work is not lost because of a technical issue

- Advised to use a minimum font size of 12pt and double spacing

Each page of the typed script will be numbered.

The word processor will be connected to a printer so that the script can be printed off, and this will be done once the examination is over. The candidate must be present to verify that the work is their own and then the script will be attached to any answer booklet that contains some of the answers. We may also be required by the awarding body to include a word processor cover sheet with the candidate's typed script.

We may retain electronic copies of a word-processed script and this may be accepted by an awarding body where the printed copy has been lost and it is demonstrated that the file has been kept securely.

10. Contingency planning and resilience

Contingency planning for exam administration is the responsibility of the Head of Centre & Exams Officer. They are responsible for:

- Being familiar with the regulators' guidance on ensuring resilience in the qualification system
- Making sure that we have robust contingency arrangements in place that will minimise the risk to exams
- Ensuring that we have an up-to-date, written examination contingency plan that covers all aspects of examination/assessment administration, in accordance with JCQ guidelines

All relevant centre staff must be familiar with the contingency plans, which are available email and detailed in the Contingency Policy are in line with the [guidance provided by Ofqual](#), JCQ and awarding organisations.

It is the responsibility of subject teachers to put in place a process for gathering evidence of candidate performance in line with the guidance provided by Ofqual.

11. Estimated grades

Subject teachers are responsible for submitting estimated grades to the exams officer when requested.

12. Managing invigilators

External staff will not be used to invigilate examinations. The head of centre, a senior member of centre staff, such as an assistant headteacher, or the exams officer will ensure that (where possible) a teacher, teaching assistant, tutor or senior member of centre staff who teaches the subject being examined, or a learning support assistant who has supported 1 or more candidates, is not an invigilator during the examination.

Recruitment of invigilators is the responsibility of Exams Officer and any new invigilators and/or those facilitating an access arrangement or reasonable adjustment for a candidate under examination conditions will receive thorough training on JCQ guidelines.

Invigilators will be timetabled, trained and briefed by the Exams Officer.

13. Malpractice

The centre will take all reasonable steps to prevent the occurrence of any malpractice before, during and after assessment has taken place. The head of centre, in consultation with the Exams Officer, is responsible for ensuring that suspected malpractice is thoroughly investigated. Malpractice does not necessarily involve an intention to cheat or gain an unfair advantage. Examples of malpractice include, but are not limited to:

- Unauthorised use of a mobile phone or internet-enabled device in examinations
- Copying or allowing work to be copied

- Posting work on social media prior to an exam
- Collusion or working collaboratively

Candidates are informed and advised to avoid committing malpractice by the Candidate Handbook issued to students and briefings prior to examinations. If malpractice is suspected or reported, it will be investigated by the Exams Officer or Deputy Headteacher and then escalated to the Head of Centre.

14. Exam days

The exams officer will:

- Book all exam rooms (after liaising with other relevant users)
- Make question papers, exam stationery and materials available for the invigilator(s)

Site management staff are responsible for setting up the allocated rooms, and will be advised of requirements at least 14 days in advance.

The Exams Officer will start and finish all exams in accordance with [JCQ guidelines](#). Where note available, this will be done by the invigilator team.

Subject staff may not be present at the start of the exam to assist with identification of candidates. Any staff will only be present in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with [JCQ guidelines](#).

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to subject teachers in accordance with JCQ's recommendations and no later than 6 hours after candidates have completed them.

After an exam, the exams officer will arrange for the safe dispatch of completed exam scripts to awarding bodies, working in conjunction with invigilators, SLT and office team.

The procedure for emergency evacuation of exam rooms will be outlined in our exam contingency policy, which will be subject to inspection by the JCQ Centre Inspection Service.

In the event of an emergency, a full report of the incident will be produced and kept on file – and any breach of question paper security or malpractice will be reported to the awarding body immediately.

15. Candidates

The exams officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by the Exams Officer and subject teachers.

Our published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and we accept no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, and/or the specification for that subject.

This is particularly true of mobile phones and other electronic devices with text or digital facilities.

Any precluded items must not be taken into the exam room.

Disruptive candidates will be dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Officer

Candidates who leave an exam room must be accompanied by an appropriate member of staff at all times.

The Exams Officer is responsible for handling late or absent candidates on exam day.

16. Special consideration

If a candidate is unable to attend an exam because of illness, bereavement or other trauma, or if a candidate becomes ill or otherwise disadvantaged during an exam, they are responsible for alerting the Exams Officer to that effect.

The candidate must support any special consideration claim with appropriate evidence within 7 days of the exam.

The exams officer will, where appropriate, make a special consideration application to the relevant awarding body within 14 days of the exam.

17. Non-examination assessments

Teaching staff who deliver non-examination assessments for GCEs and GCSEs will follow the correct specifications and the specification and instructions provided by the awarding body, and/or JQC [instructions for conducting non-examination assessments](#), if appropriate. Teaching staff will also check that the tasks and approach being taken are appropriate and in line with ethical standards and the centre's safeguarding responsibilities.

It is the duty of subject teachers to ensure that all non-examination assessment is ready for dispatch at the correct time. The Exams Officer will assist by keeping a record of each dispatch, including the recipient details, and the date and time sent.

Marks for internally assessed work will be provided to the exams office subject teachers. The exams officer will inform staff of the deadline date for appeals against internal assessments.

Any appeals will be dealt with in accordance with our internal appeals procedure document.

Internal Appeals Procedure is available on our website.

Further information on how we conduct non-examination assessments can be found in our policy

17.1 Artificial intelligence (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, students and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard. Isebrook recognises that AI has many uses to help students learn, but may also lend itself to cheating and plagiarism.

Students **may not** use AI tools:

- During assessments, including internal and external assessments, and coursework
- To write their homework or class assignments, where AI-generated text is presented as their own work

Students **may** use AI tools:

- As a research tool to help them find out about new topics and ideas
- When specifically studying and discussing AI in schoolwork, for example in IT lessons or art homework about AI-generated images. All AI-generated content must be properly attributed

Where a student uses an AI tool, they should retain a copy of the question(s) asked and the AI-generated response(s). Students must submit this along with the work to be assessed.

Staff should:

- Be aware that AI tools are still being developed and tested
- Use AI tools with caution as they may provide inaccurate, inappropriate or biased content
- Make students aware of the risks of using AI tools and that they need to appropriately reference AI as a source of information to maintain the integrity of assessments

Staff **must not**:

➤ Use AI as the sole means of marking candidates' work

For more information on AI misuse, see [guidance from JCQ on AI use in assessments](#). Any misuse of AI tools may be treated as malpractice.

18. Results and certificates

Candidates will receive individual results slips on results day. These can be collected from school 10 -12 on the national results day or received by email.

The results slip will be in the form of a centre-produced document.

Arrangements for the centre to be open on results days are made by the Exams officer.

The provision of the necessary staff on results days is the responsibility of the Exams Officer.

Dates of results days each year will be publicised for all candidates through email and Class Dojo.

18.1 Enquiries about results (EARs)

Enquiries about results (EARs) may be requested by centre staff or the candidate following the release of results.

Any request for a re-mark or clerical check must only be submitted with the written consent of the candidate. A request for a re-moderation of internally assessed work may be submitted without the consent of a group of candidates.

The cost of EARs will be paid by the centre where it is agreed with subject teachers.

All decisions about whether to make an application for an EAR will be made by subject teachers and SLT.

If a candidate's request for an EAR is not supported, the candidate may appeal and we will respond by following the process in our internal appeals procedure document.

All processing of EARs will be the responsibility of the Exams Officer following the JCQ guidance.

18.2 Access to scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of written exam papers within 14 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Applications for EARs cannot be submitted once an original script has been returned.

The Exams Officer is responsible for processing requests for ATS.

The cost of ATS will be paid by the centre.

18.3 Certificates

Candidates will receive their certificate in person at school, unless postal preference is given.

Certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate to do so and bring suitable indications with them that confirms who they are.

The centre retains certificates for 2 years.

A new certificate will not be issued by an awarding organization except in certain specific circumstances (such as a change of gender or identity). A transcript of results may be issued.

19. Monitoring and review

The head of centre is responsible for ensuring that this policy is reviewed and updated **annually**, and whenever there is a relevant change to:

- The exams system
- JCQ guidance
- Our curriculum offer
